## 12. Directors Comments:

- “Hold on to your hats!” There are many exciting events coming up!
- Mandatory Trip meeting will be held on Tuesday 3/24/2020 at 7pm in the auditorium. At least 1 parent/guardian and student must attend this meeting. The tour director, nurse and directors will be available to provide information and answer questions. This is a good time to give medications to the nurse in preparation for the trip. The trip packet and luggage tags will be distributed at this meeting.
- On 3/29/2020 the school nurse will be available for students to drop off medications that they will need to take during the trip. Luggage can also be dropped off at this time if desired. Students will have time to go home after school to pick up their luggage on Monday prior to leaving for the trip.

- Flexible instruction days – an email was sent out regarding the approval for SWSD to use flexible instruction days and how this would occur. If needed, this could be used to weather emergencies, corona virus etc.
- There have been discussions about how/if the corona virus may affect the music dept trip. There is no change in trip plans at this time. The issue will be addressed if further concerns arise prior to the trip.
- Free tickets for the band, pops and choral spring concerts will be available for reserved seats only. An email will be sent with link to claim tickets prior to the event. There are no tickets needed for the orchestra concert because it is scheduled to be held at Codorus State Park Band Shell. In the event of bad weather, the orchestra concert will be moved inside to the auditorium, but tickets will not be needed.
- Students will soon be finalizing their schedules for next year, taking Keystone, AP and SATs as well as their regular courses. It is a very busy time of year. Expect many email updates in the coming weeks. Feel free to reach out to your directors with any questions. We want you to be informed about your child's activities.
