- Erika McKee to send out emails about the following upcoming events:
  - **5/13 7pm Virtual Concert** to be streamed on the Mustang Vision. This concert will include selections from past performances and solos by regional and All-State musicians. These students qualified, but were not able to participate in these festivals due to the Covid 19 pandemic. The concert will initially be streamed at the above time, but will remain available for additional viewing after this time.

Seniors and those not returning next year need to return their uniforms and instruments. Please label all uniforms and instruments with student's FULL name. Students should report to the music suite to return their equipment and clean out their music lockers first. They will then be dismissed to clean out their regular school lockers if needed.
